Thursday 11:00am-12:20pm and 2:00-3:30pm
Also Available by Appointment for meetings on campus or by phone

Please check the course Blackboard page for announcements, new postings, assignments, etc. on a regular basis throughout the semester. It is highly recommended that you visit our course page at least twice a week!

INTRODUCTION:
Management Concepts (MGMT 3820 INET) is a Junior level course that will introduce the student to Management Theory, the different functions of management, and how managers interact with internal/external environments. Students will be introduced to several important topics such as ethical issues, managing information, global management, managing change, innovation, special projects, processes, teams, and a short introduction to manufacturing management.

Offering this course through Blackboard creates new opportunities and challenges. Blackboard offers you the convenience of an Internet based class meeting the standards set forth by the College of Business, The University of North Texas, The State of Texas, and the Association to Advance Collegiate Schools of Business (AACSB). Please do not suggest that Internet translates into “easy A.” The keys are to stay current and communicate.

Prerequisites: Open to all highly motivated and self-disciplined students.

COURSE OBJECTIVES:
To develop the students’ understanding of:
1.) The value of taking a general manager’s view of the firm
2.) Management concepts by focusing on the key management functions
3.) The relationship that exists between various organizational functions
4.) Current management issues confronting today’s managers
5.) Provide a foundation for more advanced work in the field of Management
REQUIRED TEXTBOOK:
We will use Robbins and Coulter’s Management, 13th edition, Published by Pearson along with Pearson’s My Management Lab. The most cost effective option is to purchase the Student Value Edition which provides you an unbound/loose-leaf copy of the book (you can’t sell back but it’s cheaper!), access to an e-book, and the access code for MyLab (available through the UNT Bookstore). To purchase a hard copy of the book with access to MyLab is more expensive.

Please note that you MUST purchase the required text (not old versions) as this is where the quiz and exam questions will be pulled, and you MUST purchase access to MyLab as there will be assignments from Pearson’s My Management Lab. You might check out Pearson’s store online, the UNT Bookstore, and other sources to determine the best option for you. (www.mypearsonstore.com) If you purchase from Pearson, you can purchase My Management Lab with digital choices or print choices (loose leaf, hard back).

Additional videos, readings, cases, and exercises will be distributed through Blackboard.

My Management Lab – PEARSON:
Students will gain hands-on practice applying management concepts with Pearson’s My Management Lab. You will have access to tools that will help you absorb course material and put concepts into perspective. The tool is integrated directly with Blackboard so you have a single sign-on experience, and you will find handouts on Blackboard that will help you with registration for My Management Lab. Please see the “Pearson MyLab” tab on the left hand side of the course page.

Course Name on MyManagement Lab: MGMT 3820_Management Concepts_Fall 2015 EW
Course ID: welch60924
To enroll, you need: 1)Course ID, 2)Email address, and 3)Student Access Code from Bookstore (or a valid credit card to purchase the access code directly from Pearson)

Assignments in My Management Lab include Simulations and Chapter Video Quizzes. Points WILL be assigned for the successful completion of the Simulations and Video Quizzes. Study tools include Dynamic Study Modules. There are NO available points for the Dynamic Study Modules, but it’s been proven that the students who use the additional resources have higher exam scores.

ACCESS TO BLACKBOARD:
- You can access the course at https://learn.unt.edu
- Login using your EUID and Password
- Click “MGMT 3820” from the list of courses

Please note that Blackboard relies heavily on electronic technologies for online courses, and technology is not a 100% reliable. It is each student's responsibility to take exams in a location with a reliable computer and internet connection. Please use the Business Leadership Building computer labs for taking exams on campus as the Willis Library has become problematic. Be sure to check your browser before starting the exam (Google Chrome or Mozilla Firefox work best). We have experienced exam question distortion in Opera, Internet Explorer, and Safari as well as mobile devices! Be sure to use a hard wired broadband connection or a very dependable wireless connection.

Please report all Blackboard problems to the CITC helpdesk at 940-565-2324. Be sure to ask for a ticket number and then email the ticket number to me along with a detailed explanation of the technical problems you’ve encountered.
EUID ACCESS AND PASSWORDS:
Enterprise User Identification Numbers (EUID’s) and passwords are required by the University of North Texas to access this course. It is the student’s responsibility to maintain a current EUID number and password. You may reset your password at https://ams.unt.edu/acctreq.php

EVENT TIMING:
All times stated in this course will conform to US Central Standard Time (CST) and Texas state daylight savings time adjustments.

STRUCTURE:
There are approximately 120 students enrolled in this on-line section of MGMT 3820. My goal is to provide a high level of customer service so that you are not alone in cyber space. If you need assistance with anything related to this course, you should e-mail me at Erin.Welch@unt.edu

Lessons in the course will be conducted using the textbook, lecture notes (modules on Blackboard), exercises, articles, and videos (MyLab). Videos and articles will deal with issues related to managerial problems. Recognize that each video/article is simply a record of an issue, which has been faced by business executives. It is not to be construed as portraying either correct or incorrect behaviours. Instead, these articles/cases contain the facts, opinions and prejudices upon which executive decisions have been made. As such, they will provide the basis for in-depth examination of particular issues and concepts.

For this method of instruction to work effectively, you must have read, viewed and thought about all assigned material. A good rule of thumb is to spend as much time analysing and preparing the material as you do reading it.

Although the structure of the course provides flexibility for students, please note that the course is NOT self-paced. It has a set schedule of weekly assignments and deadlines that must be met. In addition, it has a standardized process that must be followed and it has scheduled times and defined availability windows for taking exams.

EAGLE CONNECT ACCOUNTS:
All Students should activate and regularly check their EagleConnect (e-mail) account. EagleConnect is used for official communication from the University to students and this will be the account I contact you at since we are NOT using messages on Blackboard. For information about EagleConnect, including how to activate an account and how to have EagleConnect forwarded to another e-mail address, visit: https://eagleconnect.unt.edu/

BROADCAST E-MAIL MESSAGES:
Students may not send broadcast e-mail messages (CC: All Students) to the class without my permission. Sending messages without permission is a violation of the UNT Student Handbook 2014-2015 and the Code of Conduct. Violations will be reported to the Provost and the Office of Student’s Rights and Responsibilities. This policy has been enforced when students tried to cheat on online exams.

ANNOUNCEMENTS:
I will share quick news and course updates with the class using Announcements in Blackboard. Announcements can be accessed via the left hand navigation menu. It is your responsibility to check Announcements at least twice a week!

COURSE RELATED E-MAIL MESSAGES:
Please consider the following example of an appropriate e-mail to send to a professor:

Title: MGMT 3820 Question about Student Info Survey

Dear Professor Welch:

Did you receive my Student Information Survey that I submitted last night (September 1st)?
Thanks,
Good Student
Student ID #10203040

*Please keep in mind that my name is **Professor Welch** and not “Hello,” “Hey,” “Hi,” “Yo,” or “Say There.”

**PERFORMANCE EVALUATION AND GRADING:**
Each student will be responsible for all assignments. Your grade in this class will be calculated by adding the total points earned during the term. Grades will be earned based on successful completion of the following:

<table>

**As the Instructor, I reserve the right to curve exam grades if deemed appropriate after analysing the results.**

**NOTES:**

1. **CHECK BLACKBOARD ON A REGULAR BASIS:** You are responsible for staying up to date with announcements made through Blackboard. Changes in the syllabus, assignments, etc. are possible and will be made at my discretion.

2. **ACT PROFESSIONAL, AND YOU WILL BE TREATED AS ONE:** Do not come to me the last week of class and ask what you may do for extra credit! Put that effort into the regularly assigned items and you won’t need extra credit, and remember, no late assignments will be accepted! Do NOT ask me for a deal. Every semester a student will ask me for a deal that is NOT available to all students. It is unethical to ask me to give you points that have not been earned.

**SYLLABUS QUIZ** *(available in Blackboard under Quiz & Exam Folder)*:
Each student will complete an on-line syllabus quiz by the due date in the Course Schedule. This will familiarize you with how to take an on-line exam within Blackboard Learn. There are 20 multiple choice and true/false questions (worth .5 pts each), and you have 30 minutes to complete the quiz.
10 Max PossiblePts.

**STUDENT INFORMATION SURVEY** *(link available in Blackboard under Quiz & Exam Folder)*:
Each student will complete a Student Information Survey via Qualtrics by the due date in the Course Schedule. This information will be used by the instructor to contact the student directly as warranted and by the University for official purposes only. Every measure will be taken to safe guard your personal information shared in the questionnaire. 5 Max PossiblePts.

**CHAPTER QUIZZES** *(available in Blackboard under Quiz & Exam Folder)*:
You will have 14 Blackboard Learn Chapter Quizzes over the course term. No Chapter Quiz Grades will be dropped. Each quiz has 5 multiple choice questions that you must answer in 10 minutes. Keep in mind that this is NOT representative of the exams – the exams are timed and designed to quickly test your knowledge with 50 questions in 55 minutes. You only have 1 shot for each quiz.
Each quiz is worth 5 points total (1 point per question). Five points may not seem like a lot but the points go a long ways towards your final letter grade in the course so be sure to complete the chapter quizzes by the assigned due date in the course schedule. The Chapter Quizzes will be available from the first day of class in case you want to work ahead, and they will close per the assigned times in the course schedule. All quizzes are open book, open notes. Complete the quizzes as you work through each corresponding lesson. You will receive a zero if you do not complete a quiz by its due date.

CHAPTER VIDEO QUIZZES (available in My Management Lab):
You will have 14 My Management Lab Chapter Video Quizzes over the course term. No Video Quiz Grades will be dropped. Each video quiz has multiple choice questions that you must answer after watching the video (not timed). Each quiz is worth 5 points total. Please note – grades from My Management Lab video quizzes and simulations will be entered manually (I do not sync them with the Blackboard Grade book) so please allow a couple days after the assignment due date for the grade to be entered in Blackboard.

SIMULATIONS (available in My Management Lab):
You will have 3 My Management Lab Simulations over the course term. Each simulation is worth 5 points total. Please note – grades from My Management Lab video quizzes and simulations will be entered manually (I do not sync them with the Blackboard Grade book) so please allow a couple days after the assignment due date for the grade to be entered in Blackboard. The simulations are not timed but do take some time to work through so don’t wait until right before the deadline to start the assignment.

INDIVIDUAL WRITTEN ASSIGNMENT/SHORT PAPER (available in the Individual Assignment Folder on the Course Home Page in Blackboard):
One Individual Written Assignment/Short Paper will be administered. The assignment will serve to evaluate the students’ accumulation of knowledge and skills. The due date for the assignment is listed in the Course Schedule. The instruction for the assignment can be found in the Individual Written Assignment folder on the Course Home Page in Blackboard.

The link to upload the assignment will be in the Individual Written Assignment Folder. The assignment will come with grading information. The individual assignment is worth a maximum of 30 points.

Procedures to identify the assignments

The assignment needs to be identified as follow:

1. On the file extension (i.e., the electronic name of the document, save as):
   Lastname_Firstname_Individual Assignment.docx (or PDF or .doc)

2. At the top of the assignment itself (i.e., as the header of the Word document):
   Lastname, Firstname
   MGMT 3820 – Fall 2015
   Individual Assignment

EXAMS 1, 2, and 3 (available in Blackboard under Quiz & Exam Folder):
The three (3) exams are “knowledge-acquisition-application” oriented. That is they are designed to “quickly” test your knowledge of management concepts and theories, certain key business concepts, or analytical tools. The objective is to ensure that all students “are on board” and are “staying up-to-date” with the instructor and the rest of the class. Using textbooks and/or notes on exams is NOT recommended as there is NOT time to look up answers. Prepare as though it is a closed book exam!

It is my intent at this time to offer all exams on-line (timed) in multiple choice and true/false format. The exams will be available starting at 4:00am, Monday until 11:30pm, Tuesday (CST) – refer to the course schedule for exact dates. You will have one shot at the exam regardless of what you see in
Blackboard Learn®. Each exam will have 50 multiple choice and true/false questions and you will have 55 minutes to complete each exam. You must complete the exam in one sitting. (50 questions @ 4 pts each = 200 possible points)

Direct Broadband (not wireless) connections are HIGHLY RECOMMENDED for the exams. If you get knocked off an exam or have any technical issues, contact the help desk at 940-565-2324, then me A.S.A.P. at Erin.Welch@unt.edu (faculty account) and leave a message at 940-565-4766. Modify pop-up blocker software and clear cache for the exam.

Technical difficulties will be resolved as they appear. The University computer techs can determine exactly what has taken place and will advise me of the outcome (your ISP, our ISP, Blackboard, student unplugged the phone line, etc.). I will make a determination to allow you to continue or not based on that advice, University policy, applicable law, and my experience.

EXAM MAKE-UP OR SCHEDULE CONFLICT REQUEST:
Exam make-up requests must be made prior to the exam and comply with University policy. Forward the information to me at Erin.Welch@unt.edu with the words "MGMT 3820 Exam Conflict" in the subject line, and include your name, student ID number, and detailed reason for request. No make-ups will be granted for missed or late assessments, quizzes, assignments, or exams.

SUNDOWN RULE:
You have one (1) week (from the due date) to inquire about your grade on an exam, quiz, research paper, or assignment. The exception to this is Exam 3 and your Final Letter Grade when inquiries need to be taken care of as soon as possible before I submit grades to the Registrar (I’ll post more information about this around finals). The purpose is to resolve any issue during the term and not wait until the last week of the term. Check your grades every week!

DROPPING THE COURSE:
If you decide it is necessary to drop the course, please adhere to the Academic Calendar on the Registrar’s website: http://www.unt.edu/catalog/. Please note that Monday, November 2nd at 4:30pm is the last day for a student to drop a course with consent of the instructor. Also, I do not assign WFs in this course. If you decide to drop by the deadline, you will receive a W (not a WF).

To drop the course, please contact the Department of Management Staff at 940.565.3140. Be prepared to provide them with the course number (MGMT 3820.001/026), your full name and student ID number. Since you are an online student, they can assist you over the phone OR if you are on campus, you may go by the Department of Management which is located in the Business Leadership Building – room 207.

USE OF PERSONAL COMPUTERS & THE BLACKBOARD LEARNING SYSTEM:
The student assumes ALL responsibility for the operating condition of personal computers and the functionality of individual Internet connections. Direct Broadband connections are HIGHLY RECOMMENDED for the quiz and exams. ISP issues will be dealt with on an individual basis and will require documentation. Blackboard utilizes pop-up windows to display content. Please modify pop-up blocker software.

In addition, your enrollment in this class signifies that you possess basic personal computer skills and have a rudimentary knowledge of Blackboard Learn. The student assumes ALL responsibility for participating taking exams, and uploading assignments within the Blackboard Learning System. For a short tutorial on how to navigate Blackboard, please check out the General Information Folder on the Course Home Page.

PANDEMIC, DISASTER, OR WEATHER CONDITIONS:
The word “Pandemic” refers to health related emergencies as declared by the proper authorities. The word “Disaster” refers to either natural and man-made activities, or states of emergency affecting the population, as declared by the proper authorities. Weather conditions are declared by UNT authorities. We will continue to operate through normal Internet connections. Course timing and due dates adjustments will be made as required. I will contact you via telephone, Blackboard Learn® or www.My.Unt email platforms. If you miss an assignment or exam, please refer to the class attendance policy.
**EMERGENCY ALERTS:**
The University of North Texas has an emergency Notification System, [Eagle Connect Alert](http://my.unt.edu), which has the capability of calling or text messaging emergency notices. As a student, you may also register with Eagle Connect Alert to receive notification of any warnings or campus closings that are announced. Instructions for enrollment can be found at [my.unt.edu](http://www.unt.edu). The university's radio station, [KNTU 88.1 FM](http://www.unt.edu) and website [http://www.unt.edu](http://www.unt.edu), will provide updated information during an emergency situation.

**COURSE EVALUATIONS:**
This semester, the Department of Management will encourage you to complete 2 course evaluations: 1) The College of Business online evaluation and 2) the University's evaluation (formerly known as SETE). Both of these will be available online and I will provide you the link for the College of Business evaluation. You should receive a separate email from the University regarding their evaluation.

The evaluations are used to evaluate faculty performance and provide guidance on what can be improved (also tell us what you like!). These are very important to me as you are the reason I’m here. I truly value your feedback and very much appreciate you taking the time to complete the evaluations which will be administered towards the end of the semester!

**ATTENDANCE AND ASSIGNMENTS POLICY:**
Students are required to log into the on-line class to check class announcements, check grades, and complete assignments **at least twice a week**. For due dates and exam times, please see the Course Schedule towards the end of the syllabus.

All of you are at the age where life happens and may require time away from class. University policy states the conditions and remedies for school and personal related absences. These include, but are not limited to school sanctioned activities, illness, civic duty, military service, caregiver leave, and religious observances (to include funerals). In order to treat everyone equally under the law (Federal and State), some form of official documentation is required as to why-when-where. This is not intended to be an invasion of privacy, but will allow me to accommodate you during this unusual period of time. Please inform me of the situation and discuss documentation at [Erin.Welch@unt.edu](mailto:Erin.Welch@unt.edu)

**SCHOLASTIC DISHONESTY POLICY:**
The UNT Code of Student Conduct and Discipline provides penalties for misconduct by students, including academic dishonesty. Academic dishonesty includes cheating and plagiarism.

The term “cheating” includes, but is not limited to, (1) use of any unauthorized assistance in taking quizzes, tests or examinations including e-mail messages and on-line chat tools; (2) dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; or (3) the acquisition, without permission, of tests or other academic material belonging to a faculty member or staff of the university.

The term “plagiarism” includes, but is not limited to, the use, by paragraph or direct quotation, of the published or unpublished work of another person without full and clear acknowledgment. It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials. (Source: Code of Conduct and Discipline at the University of North Texas.)

The incident will be reported to the UNT Office of the Provost and the investigation will follow the outlined “Academic Integrity Process” as referenced at [http://www.vpaa.unt.edu/academic-integrity.htm](http://www.vpaa.unt.edu/academic-integrity.htm). If you have engaged in academic dishonesty related to this class, you will receive a failing grade on the test or assignment, and a failing grade in the course. This policy is intended to protect the honest student from unfair competition with unscrupulous individuals who might attempt to gain an advantage through cheating.

**NOTE:** I will submit your work to an electronic plagiarism monitoring service such as [www.Turnitin.com](http://www.Turnitin.com). Proper action will be taken if significant plagiarism is evident.
OFFICE OF DISABILITY ACCOMMODATION:
The course instructor works closely with and conforms to the strict guidelines of the Office of Disability Accommodation (ODA). Printed exams can be administered by ODA at a location agreed upon by the client, the instructor, and ODA staff. In addition, recommendations as to extended timing and other conditions as prescribed will be met. University Policy requires that students notify their instructor(s) within the first week of class that an accommodation will be needed (usually this is done by sending the Instructor the letter of accommodation that has been approved by ODA for the semester).

IMPORTANT NEWS FOR F-1 VISA HOLDERS:
For F–1 students enrolled in classes for credit or classroom hours, no more than the equivalent of one class or three credits per session, term, semester, trimester, or quarter may be counted toward the full course of study requirement if the class is taken on-line or through distance education and does not require the student's physical attendance for classes, examination or other purposes integral to completion of the class. An on-line or distance education course is a course that is offered principally through the use of television, audio, or computer transmission. If the F–1 student's course of study is in a language study program, no on-line or distance education classes may be considered to count toward a student's full course of study requirement [Title 8 CFR 214.2 Paragraph (f)(6)(i)(G)].

UNT Compliance: To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component (which must be approved in advance by the instructor) can include activities such as taking an on-campus exam, participating in an on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course. Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, they should contact the UNT International Student Office at 940.565.2195 or InternationalAdvising@unt.edu to get clarification before the one-week deadline.

If such an on-campus activity is required, it is the student's responsibility to do the following:

1. Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.
2. Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Student and Scholar Services Office. ISSS has a form available that you may use for this purpose. F-1 Visa holders will be required to attend weekly scheduled office visits throughout the term.
