ACADEMIC ORGANIZATIONAL STRUCTURE

Understanding the academic organizational structure and appropriate Chain of Command is important when resolving class-related or advising issues. When you need problems resolved, you should start with your individual faculty member and/or advisor who will then help you navigate the Chain of Command shown below:

![University of North Texas
SMHM Academic Chain of Command]

Individual Faculty Member/Advisor

\[ \text{Division Chair} \]

\[ \text{Associate Dean, School of Merchandising & Hospitality Management} \]

\[ \text{Dean, School of Merchandising & Hospitality Management} \]

QUALIFIED STUDENTS UNDER THE AMERICANS WITH DISABILITIES ACT OR SECTION 504 OF THE REHABILITATION ACT OF 1973

The School of Merchandising and Hospitality Management cooperates with the Office of Disability Accommodation to make reasonable accommodations for qualified students with disabilities. If you have a disability for which you will require accommodation, please present your written accommodation request by the end of the first week and make an appointment with the instructor to discuss your needs.

COURSE SAFETY STATEMENTS

Students in the School of Merchandising and Hospitality Management are urged to use proper safety procedures and guidelines. While working in laboratory sessions, students are expected and required to identify and use property safety guidelines in all activities requiring lifting, climbing, walking on slippery surfaces, using equipment and tools, handling chemical solutions and hot and cold products. Students should be aware that the University of North Texas is not liable for injuries incurred while students are participating in class activities. All students are encouraged to secure adequate insurance coverage in the event of accidental injury. Students who do not have insurance coverage should consider obtaining Student Health Insurance for this insurance program. Brochures for this insurance are available in the UNT Health and Wellness Center on campus. Students who are injured during class activities may
seek medical attention at the UNT Health and Wellness Center at rates that are reduced compared to other medical facilities. If you have an insurance plan other than Student Health Insurance at UNT, please be sure that your plan covers treatment at this facility. If you choose not to go to the UNT Health and Wellness Center, you may be transported to an emergency room at a local hospital. You are responsible for expenses incurred there.

**ACADEMIC DISHONESTY**

Academic dishonesty includes, but is not limited to, the use of any unauthorized assistance in taking quizzes, tests, or exams; dependence upon the aid of sources beyond those authorized by the instructor, the acquisition of tests or other material belonging to a faculty member, dual submission of a paper or project, resubmission of a paper or project to a different class without express permission from the instructors, or any other act designed to give a student an unfair advantage. Plagiarism includes the paraphrase or direct quotation of published or unpublished works without full and clear acknowledgment of the author/source. Academic dishonesty will bring about disciplinary action which may include expulsion from the university. This is explained in the UNT Student Handbook.

**CLASSROOM POLICIES**

Student behavior that interferes with an instructor’s ability to conduct a class or other students’ opportunity to learn is unacceptable, disruptive, and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom, and the instructor may refer the student to the Center for Student Rights and Responsibilities to consider whether the student’s conduct violated the Code of Student Conduct. The University’s expectations for student conduct apply to all instructional forums, including university and electronic classrooms, labs, discussion groups, field trips, study abroad programs, etc. The Code of Student Conduct can be found at http://www.unt.edu/csrr/student_conduct/index.html.

The School of Merchandising and Hospitality Management requires that students respect and maintain all university property. Students will be held accountable through disciplinary action for any intentional damages they cause in classrooms. (e.g., writing on tables). Disruptive behavior is not tolerated (e.g., arriving late, leaving early, sleeping, talking on the phone, texting or game playing, making inappropriate comments, ringing cellular phones/beepers, dressing inappropriately).

**STUDENT EVALUATION OF TEACHING EFFECTIVENESS (SETE)**

The Student Evaluation of Teaching Effectiveness (SETE) is a requirement for all organized classes at UNT. This short survey will be made available at the end of the semester to provide students a chance to comment on how this class is taught. Student feedback is important and an essential part of participation in this course.
FINAL EXAM POLICY

Final exams will be administered at the designated times during the final week of each long semester and during the specified day of each summer term. Please check the course calendar early in the semester to avoid any schedule conflicts.

ACCESS TO INFORMATION

As you know, your access point for business and academic services at UNT occurs within the my.unt.edu site [www.my.unt.edu](http://www.my.unt.edu). If you do not regularly check Eagle Connect or link it to your favorite e-mail account, please so do, as this is where you learn about job opportunities, SMHM events, scholarships, and other important information. COURSES IN A BOX

Any SMHM equivalent course from another university must receive prior approval from the SMHM academic advisor to insure that all UNT Merchandising and Hospitality Management degree plan requirements are met. For example, courses that are taken online or from a program that offers course material via CD, booklet, or other manner of correspondence must have prior advisor approval. This includes “courses in a box” from other educational institutions (SMHM 2550, 4250, 4820, etc.). “Courses in a box” do not meet the UNT Merchandising and Hospitality Management degree plan requirements and will not be approved.

IMPORTANT NOTICE FOR F-1 STUDENTS TAKING DISTANCE EDUCATION COURSES

To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component (which must be approved in advance by the instructor) can include activities such as taking an on-campus exam, participating in an on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course.

If such an on-campus activity is required, it is the student’s responsibility to do the following:

1. Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.
2. Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Advising Office. The UNT International Advising Office has a form available that you may use for this purpose.

Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, students should contact the UNT International Advising Office (telephone 940-565-2195 or email international@unt.edu) to get clarification before the one-week deadline.
