Incompletes

Students are expected to complete the course within the session time frame. A grade of Incomplete will only be given if the student is (a) passing the course, (b) has completed 75% of the course requirement, (c) has very compelling special circumstances, and (d) provides adequate documentation. I will require that the course requirements be fulfilled by the end of the following semester. According to UNT policy:

An Incomplete Grade ("I") is a non-punitive grade given only during the last one-fourth of a term/semester and only if a student (1) is passing the course and (2) has a justifiable and documented reason, beyond the control of the student (such as serious illness or military service), for not completing the work on schedule. The student must arrange with the instructor to finish the course at a later date by completing specific requirements. These requirements must be listed
on a Request for Grade of Incomplete form signed by the instructor, student, and department chair; and also entered on the grade roster by the instructor. (http://essc.unt.edu/registrar/incomplete.htm, p. 1)

If you fail to complete the course requirements by the end of the subsequent semester the grade of Incomplete will be replaced with an “F”. I strongly urge you to complete the course. If you find you are falling behind, or not passing, I recommend you consider withdrawing from the class so that your record and GPA is not negatively affected. Please come talk to me if you find yourself having any difficulties with keeping up with the assignments or are not doing well on the quizzes.

UNT POLICIES

Student Conduct and Discipline

The primary concern of the University of North Texas is the student. The university attempts to provide for all students a campus environment that is conducive to academic endeavor and social and individual growth. To that end, rules, regulations and guidelines governing student behavior and the student's relationship with the university have been formulated into a student code of conduct and discipline. Enrollment at the University of North Texas is considered implicit acceptance of these and other policies applicable to students, all of which are educational in nature and designed to help students understand expectations and accept responsibility for their own actions. Additional information can be found in the Code of Student Conduct.

Academic Honesty Policy

Policies regarding student conduct and academic honesty posted by the University Center for Student Rights and Responsibilities in the Student Handbook apply to this class. As stated in the Policy: http://www.unt.edu/csrr/student_conduct/misconduct.html, misconduct for which students are subject to discipline falls into the following categories:

A. Acts of Dishonesty, including but not limited to:
   1. Academic dishonesty - cheating. The term "cheating" includes, but is not limited to:
      a. use of any unauthorized assistance in taking quizzes, tests, or examinations;
      b. dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments;
      c. the acquisition, without permission, of tests, notes or other academic material belonging to a faculty or staff member of the University;
      d. dual submission of a paper or project, or resubmission of a paper or project to a different class without express permission from the instructor(s);
      e. any other act designed to give a student an unfair advantage.
   2. Academic Dishonesty — plagiarism. The term "plagiarism" includes, but is not limited to:
a. the knowing or negligent use by paraphrase or direct quotation of the published or unpublished work of another person without full and clear acknowledgement and/or
b. the knowing or negligent unacknowledged use of materials prepared by another person or by an agency engaged in the selling of term papers or other academic materials.

Discipline may range from not having an assignment accepted for credit to expulsion from the course. For more information regarding policies regarding student conduct, please visit: http://www.unt.edu/csrr/student_conduct/index.html

ADA Policy

The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with an accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the Office of Disability Accommodation website at http://www.unt.edu/oda. You may also contact them by phone at 940.565.4323.

Important Notice for F-1 Students taking Distance Education Courses:

Federal Regulation
The paragraph reads:
(G) For F–1 students enrolled in classes for credit or classroom hours, no more than the equivalent of one class or three credits per session, term, semester, trimester, or quarter may be counted toward the full course of study requirement if the class is taken on-line or through distance education and does not require the student's physical attendance for classes, examination or other purposes integral to completion of the class. An on-line or distance education course is a course that is offered principally through the use of television, audio, or computer transmission including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, or computer conferencing. If the F–1 student's course of study is in a language study program, no on-line or distance education classes may be considered to count toward a student's full course of study requirement.

University of North Texas Compliance

To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component (which must be approved in advance by the instructor) can include activities such as taking an on-campus exam, participating in an on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course.

If such an on-campus activity is required, it is the student’s responsibility to do the following:

1. Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.
2. Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Student and Scholar Services Office. ISSS has a form available that you may use for this purpose.

Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, s/he should contact the UNT International Student and Scholar Services Office (telephone 940-565-2195 or email internationaladvising@unt.edu) to get clarification before the one-week deadline.
