## INSTRUCTOR EXPECTATIONS

### *Writing Skills*

Students will compose grammatically correct sentences, write well-developed paragraphs, and express ideas in a well-organized, coherent matter. No outlines will be accepted in this course. **Every assignment must include student name, course and SECTION, module number and assignment title. Every assignment should include the student name in the file name/document name/document title** (e.g., PasquiniL\_Resume). Submissions must have complete sentences, correct punctuation, and capitalization. Avoid using abbreviations and acronyms without appropriate clarification. Consider getting support for this course with your writing at the **UNT Writing Lab** (<http://writinglab.unt.edu/>) and/or **UNT Career Center** (<http://studentaffairs.unt.edu/career-center>).

### *Discussions Board Postings*

Each student must submit an **original discussion posting** (20 points) and **respond to THREE (3) other students'** discussion posts (30 points). This means that each student will have at least four discussion entries. Postings **ONLY** containing responses such as "I agree", "I disagree", etc. will not receive any credit. Your postings must actually add value to the discussion and provide insight or help move the topic forward. Responses will be graded on quality. If a student submits an original discussion posting but fails to respond to three students or more, he or she may only receive up to 20 points for this discussion module. Do **NOT** put attachments in the discussion board area. **Do NOT submit assignments to the discussion board.** The instructor will not grade assignments posted in the discussion area. Please refer to the **Discussion Postings Guidelines** document in the "**Orientation Module**" to obtain full points.

The discussion area is not the venue to ask the instructor questions of a personal nature (i.e., grades, missed assignments, etc.). Please send the instructor an email with these types of questions. A special discussion thread entitled "*Instructor's corner*" has been created for general questions related to the course and assignments. **The instructor will answer any questions posted there within 24-48 hours.** You are also encouraged to answer each other's questions; the instructor will clarify discrepancies as necessary.

### *Student Support*

If there is a **student technical support team dedicated to deal with issues or technical needs (e.g. Blackboard Learn)** if you should encounter any issues or needs at ANY point during the duration of this course.

Please be sure to CONTACT the **UNT UIT Helpdesk** support team for any student technical support issues and resources. <https://www.unt.edu/helpdesk/>

## LTEC COURSE POLICIES

### *Communication Parameters*

**Students should contact the instructor via the instructor's preferred communication (see above).** Instructors will attempt to respond to student emails within TWO (2) working days. Working days do not include weekends or holidays. Students should not expect the communication parameters in a web-based class to significantly differ from the parameters in traditional campus-based classes.

Students are encouraged to develop communication networks with other class members via electronic communication vehicles such as Blackboard Learn email, bulletin board, and/or chat. Students should consider the communication parameters with regard to assignment due dates.

Please be aware that ***instructors will not be able to respond to “last minute” requests for assignment clarification, and students may encounter unforeseen problems with their Internet provider, software, or hardware.***

### ***Student Responsibilities for Distributed Learning Courses:***

- Access course web page and initiate contact with instructor within the first week of the semester.
- Be able to work independently on course objectives, given the format for interaction with faculty and students will be non-traditional.
- Verify appropriate hardware and software as described in the course description.
- Provide instructor with access to a working email account.
- Contact instructor or instructor's assistant within two days if any problems develop with regard to accessing the course.
- Adhere to communication parameters of course (i.e., email, discussion, chat).
- Complete [UNT Student Tutorial](#) prior to taking the first Blackboard course.
- Comply with appropriate electronic etiquette and abbreviations.
- Acquire all necessary software and books.
- Complete all course requirements by posted deadlines.

Students should maintain electronic copies in chronological order of ALL journal entries, bulletin board responses, lesson plans, and other assignments listed within the syllabus. It is the responsibility of the student to verify that all messages AND attachments are sent to the course instructor.

"All students should **activate and regularly check their e-mail account used for official communication from UNT to students**. Many important announcements for the University and College are sent to students via the assigned e-mail account. Please be sure to **FORWARD** this email to another account, if it is not where you view your messages: <http://www.unt.edu/helpdesk/faq/>

**Online Etiquette**

Students should be cognizant of the limitations of an online environment and exercise caution when interacting with others through the discussion board and/or messages. The purpose of our interactions is the exchange of knowledge and best practices as well as clarification of concepts. In an online environment, comments can be unintentionally misinterpreted or misrepresented. Students should observe the following guidelines:

- Students should be respectful of peers' opinions.
- Students should avoid using language that may be viewed as offensive.
- Students should avoid writing in all capital letters.
- Students should reread messages/postings as necessary before responding to avoid misunderstanding and should seek clarification as necessary.

**Late Work**

**Late work is not accepted and will receive a 0 grade.** It is suggested that you plan on completing your work the day prior to the due date. Then unexpected problems will not result in your work being late.

**ALL assignments must be submitted by 11:59 pm CST on the date it is due via Blackboard. Do NOT submit assignments via e-mail or to the discussion board.**

It is the student's responsibility to see that work is submitted. It is not fair to other students to allow a student to submit late work and receive credit; therefore, the late policy is strictly enforced. **Any student who is missing assignments from 3 modules will be dropped from the class with a WF.**

**MEDICAL EMERGENCIES:**

If you have a medical emergency that will prevent you from completing the course as scheduled, you **MUST notify your instructor at the time of your medical problem.** Requests for an [Incomplete \(I\) or to drop the course](#) must come at the time of the medical emergency and must be supported by **a letter from your physician and must specifically state that your medical situation will NOT permit you to work online or prevent you from submitting assignments as scheduled.** Requests for an Incomplete or to DROP this course based on a medical emergency CAN NOT be granted after the medical emergency. Of course all requests must meet standard university policy. Doctor's notes must be received during week 1 or 2 of the medical emergency. Those submitted at the end or once it is over will not be accepted.

### ***Academic Advising and Personal Support***

There are a number of academic resources and support areas at UNT to support your academic success. Please be sure to seek out or ask for the support you need **IN ADVANCE, and/or IMMEDIATELY after any medical, personal, or academic situation.**

For students who have questions about academic planning, need to drop one or all courses, or learn more about academic dates and deadlines, please be sure to speak with your [academic advisor/counselor](#) and consult the following UNT resources for planning and guidance:

- Advising @ UNT: <http://advising.unt.edu/>
- Counseling Services: <http://studentaffairs.unt.edu/counseling-testing-services>
- Dropping a class: <http://advising.unt.edu/dropping-class>
- How to drop a class <http://registrar.unt.edu/registration/dropping-class>
- Incomplete (I) grades: <http://registrar.unt.edu/grades/incompletes>
- Withdrawals: <https://deanofstudents.unt.edu/withdrawals>
- Dean of Students Policies <https://deanofstudents.unt.edu/policies>

**UNT Academic Deadlines** posted on the website of [UNT Office of the Registrar](#), specifically the Summer 2015 Registration Guide: <http://registrar.unt.edu/registration/summer-registration-guide>

### ***Required Software and Hardware***

Knowledge of personal computer operation is prerequisite to registering for and successfully completing this online course. Students taking the course should be proficient in the following software as well: Microsoft Word, Microsoft PowerPoint, Microsoft Excel, and Microsoft Access

The acquisition of these skills is the responsibility of student and can be obtained through prior coursework and/or personal experience. A student who is not proficient in these programs should not register for this course. Blackboard is fully supported for both computers using Windows and Apple computers. This includes the programs noted above. Purchase and installation of the programs in a current and compatible version is the responsibility of the student. For personally owned computers, the UNT Bookstore offers software for both systems with student pricing.

In addition, upon starting this or any LTEC Blackboard course, students should review the “Check Browser” link in Blackboard and install the appropriate browser and plug-ins and update their browser to the appropriate settings.

## Acceptable Student Behavior

Student behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Center for Student Rights and Responsibilities to consider whether the student's conduct violated the Code of Student Conduct. The university's expectations for student conduct apply to all instructional forums, including university and electronic classroom, labs, discussion groups, field trips, etc. **The Code of Student Conduct can be found at <https://deanofstudents.unt.edu/conduct>**

**Students must complete all assignments independently** unless otherwise instructed. Failure to do so will result in a grade of 0. Other possible consequences of breaching academic integrity include a failing grade on the assignment, a full letter grade drop for the course, or a failing grade in the course. If a student engages in academic dishonesty related to this class, the case will be referred to the Dean of Students for appropriate disciplinary action.

## Attendance and Participation

**The instructor reserves the right to request of the Registrar that a student be dropped from the course (W or WF) due to unsatisfactory progress.** All students are expected to fully participate in all class activities. Full participation includes web-based activities. If there is an issue, questions, or concern about participation in the LTEC course, it is the students responsibility to contact the instructor and communicate these issues directly with the instructor of the LTEC course.

## University Policy of Absence for Religious Holidays

In accordance with state law, students absent due to the observance of a religious holiday may take examinations or complete assignments scheduled for the day missed within a reasonable time after the absence if the student has notified the instructor of each class of the date of the absence within the first 15 days of the semester. Notification must be in writing, either personally delivered with receipt of the notification acknowledged and dated by the instructor, or by certified mail, return receipt requested.

Only holidays or holy days observed by a religion whose place of worship is exempt from property taxation under Section 11.20 of the Tax Code may be included. A student who is excused under this provision may not be penalized for the absence, but the instructor may appropriately respond if the student fails to satisfactorily complete the assignment or examination.

### ***Professionalism***

At all times, students are expected to conduct themselves in a professional manner. This includes being prepared for all class assignments, and being flexible to unforeseen changes in schedules and assignments.

### ***Honesty and Academic Integrity***

The UNT Code of Student Conduct and Discipline provides penalties for misconduct by students, including academic dishonesty. Academic dishonesty includes cheating and plagiarism.

### ***Cheating and Plagiarism***

Students caught cheating or plagiarizing will receive a "0" for that particular assignment or exam. Additionally, the incident will be reported to the Office of Student Rights and Responsibilities for further penalty.

According to the UNT catalog, the term "**cheating**" includes, but is not limited to:

- a. use of any unauthorized assistance in taking quizzes, tests, or examinations;*
- b. dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments;*
- c. the acquisition, without permission, of tests or other academic material belonging to a faculty or staff member of the university;*
- d. dual submission of a paper or project, or resubmission of a paper or project to a different class without express permission from the instructor(s); or*
- e. any other act designed to give a student an unfair advantage.*

The term "**plagiarism**" includes, but is not limited to:

- a. the knowing or negligent use by paraphrase or direct quotation of the published or unpublished work of another person without full and clear acknowledgment; and*
- b. the knowing or negligent unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic material.*

### ***University Policy of Disability Accommodations***

The University of North Texas is on record as being committed to both the spirit and letter of federal equal opportunity legislation; reference Public Law 92-112 – The Rehabilitation Act of 1973 as amended. With the passage of new federal legislation entitled Americans with Disabilities Act (ADA), pursuant to section 504 of the Rehabilitation Act, there is renewed focus on providing this population with the same opportunities enjoyed by all citizens.

Whenever a special accommodation or auxiliary aid is necessary in order to ensure access to and full participation by students with disabilities in University programs or services, the department or agency responsible for the program or service to which the individual requires access will work with the Office of Disability Accommodation and appropriate federal and state agencies to ensure that reasonable accommodations are made. The student requiring special accommodation or auxiliary aids must make application for such assistance through the Office of Disability Accommodation. Proof of disability from a competent authority will be required, as well as information regarding specific limitations for which accommodation is requested.

The University assumes no responsibility for personal assistance necessary for independent living or for specialized medical care. Students requiring personal attendants or mobility assistants must employ such persons at their own expense before completion of registration. Students requiring specialized medical care above and beyond that ordinarily offered through the Student Health Center should be prepared to bear the expense of this care through a general hospital or a private physician/clinic of their choice.

Changes may be made as long as it does not compromise the quality of education. Cooperation of faculty, staff, and students is needed to help with physical access and to meet academic requirements. For example, giving extra time on tests or assignments, substituting courses, or adapting classroom presentations (like allowing tape recorders, note takers, or asking a professor to face the class when speaking to allow students to lip read) may be done.

**ADA Statement:** The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with an accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. ***You may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation.*** Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. Please Contact the **UNT Office of Disability Accommodation** (<https://disability.unt.edu/>) for questions, concerns, or support you may contact the ODA office **by phone at 940.565.4323 or in person (SAGE 167).**

### ***Student Evaluation of Teacher Effectiveness***

An expectation of this class will be to complete the end-of-semester evaluation of the instructor known as the SETE, Student Evaluation of Teacher Effectiveness.
