Course Evaluation
Toward the end of the semester, students will be able to complete a course survey at www.my.unt.edu. Please logon to www.my.unt.edu and select SETE.

Scholarly Expectations
All works submitted for credit must be original works created by the scholar uniquely for the class. It is considered inappropriate and unethical, particularly at the graduate level, to make duplicate submissions of a single work for credit in multiple classes, unless specifically requested by the instructor.

Course Policies
Exercise / Discussion Board Policy
Due dates for all course work are posted in the instructions connected to each assignment. Your work should be submitted in the submission section and submitted by using the “Submit” button at the end of each assignment. Students should complete work in a Word document and copy, cut and paste it in the page available in BbL. Word or PDF documents that include a student’s work and are attached will not be accepted and graded. A student’s work may not be submitted at a later date without written documentation that justifies the missed deadline.

Exam Policy
Quizzes and exams are open-book and open-note; however, you may not discuss a quiz or exam with another student after accessing the quiz or exam at any time unless both have completed and submitted their answers. Missed quizzes or exams may not be taken at a later date without written documentation that justifies the makeup, which is in the instructor’s discretion.

Students may have the opportunity to attempt a quiz or exam an additional time if they lose their internet connection or have another technical problem beyond their control that prevents completion of the quiz or exam. The instructions for each quiz and exam will
address the number of attempts available and an appropriate course of action to take in the event of technical difficulties.

Late Work
Acceptance of and credit for late work is determined consistent with UNT policies and at the professor’s discretion where permitted.

Virtual Classroom Citizenship and Conduct
The same guidelines that apply to traditional classes should be observed in the virtual classroom environment. Please use proper netiquette when interacting with class members and the professor. Proper netiquette includes the following:

- Appropriate language; no foul or offensive language;
- Appropriate topics; no slurs having to do with race, religion, gender, sexual orientation, national origin, pregnancy, disability or apparent physical or emotional differences; and
- Common courtesy.

Incompletes
If a student wishes to request a grade of Incomplete, the student must:

- Have a passing grade in the course;
- Submit the request in writing as soon as possible during the semester and not later than one (1) week prior to the final exam;
- Submit the request to the instructor via BbL and receive written approval through BbL; and
- Complete the course not later than one (1) year in order to avoid an automatic replacement of the “I” with an “F”.

Undergraduate Online Course Attendance Policy
Students who attend classes regularly typically experience greater success than those students who do not attend regularly. Similarly, students who enroll in online courses also typically perform better by fully participating in the course.

Information about the University of North Texas’ Attendance Policy may be found at: http://policy.unt.edu/policy/15-2-5.
Administrative Withdrawal
Students may add this course or withdraw in accordance with the University’s policy currently in effect.

Syllabus Change Policy
Changes to the syllabus may be necessary at times. Communication of any changes will be made via an announcement or message tabs in BbL.

Policy on Server Unavailability or Other Technical Difficulties
The University is committed to providing a reliable online course system to all users. However, in the event of any unexpected server outage or any unusual technical difficulty which prevents students from completing a time sensitive assessment activity, the instructor will extend the time windows and provide an appropriate accommodation based on the situation. Students should immediately report any problems to the instructor and also contact the UNT Student Help Desk: helpdesk@unt.edu or 940.565.2324. The instructor and the UNT Student Help Desk will work with the student to resolve any issues at the earliest possible time.

UNT Policies
Student Conduct and Discipline
Please refer to the UNT Faculty Handbook or your department regarding the Student Code of Conduct Policy.

Academic Honesty Policy
Academic dishonesty is defined in the UNT Policy on Student Standards for Academic Integrity. Any suspected case of Academic Dishonesty will be handled in accordance with University policy and procedures. Possible academic penalties range from a verbal or written admonition to a grade of “F” in the course. Further sanctions may apply to incidents involving major violations. You will find the policy and procedures at http://vpaa.unt.edu/academic-integrity.htm.

ADA Policy
If you have a condition that requires accommodation in this course, please notify the instructor during the first week of class. Any necessary or appropriate accommodations will be made provided that timely notice is received, and that the arrangement is consistent with recommendations from Disability Services, when applicable. Students who require this type of assistance should contact the Office of Disability Accommodation (ODA) at (940) 565-4323, or at TTY (940) 369-8652 to make appropriate arrangements. Information on the services provided by the ODA as well as application procedures is available at http://www.unt.edu/oda/index.html. Information on UNT’s policies related to disability accommodations is available at http://policy.unt.edu/policy/18-1-14.
Please note that disability accommodations are not retroactive. Accommodations will be made only after a disability is officially verified.

**Student Behavior**

Student behavior that interferes with an instructor’s ability to provide instruction or with other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to cease such behavior. The instructor may refer the student to the Center for Student Rights and Responsibilities to consider whether the student's conduct violated the Code of Student Conduct. The university's expectations for student conduct apply to all instructional forums, including university and electronic classroom, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at www.unt.edu/csrr.

**Important Notice for F-1 Students taking Distance Education Courses:**

**Federal Regulation**

To read detailed Immigration and Customs Enforcement regulations for F-1 students taking online courses, please go to the Electronic Code of Federal Regulations website at http://ecfr.gpoaccess.gov. The specific portion concerning distance education courses is located at "Title 8 CFR 214.2 Paragraph (f) (6) (i) (G)" and can be found buried within this document:

http://frwebgate.access.gpo.gov/cgi-bin/getcfr.cgi?TITLE=8&PART=214&SECTION=2&TYPE=TEXT

The paragraph reads:

(G) For F–1 students enrolled in classes for credit or classroom hours, no more than the equivalent of one class or three credits per session, term, semester, trimester, or quarter may be counted toward the full course of study requirement if the class is taken on-line or through distance education and does not require the student's physical attendance for classes, examination or other purposes integral to completion of the class. An on-line or distance education course is a course that is offered principally through the use of television, audio, or computer transmission including open broadcast, closed circuit, cable, microwave, or satellite, audio conferencing, or computer conferencing. If the F–1 student's course of study is in a language study program, no on-line or distance education classes may be considered to count toward a student's full course of study requirement.

**University of North Texas Compliance**

To comply with immigration regulations, an F-1 visa holder within the United States may need to engage in an on-campus experiential component for this course. This component (which must be approved in advance by the instructor) can include activities such as taking an on-campus
exam, participating in an on-campus lecture or lab activity, or other on-campus experience integral to the completion of this course.

If such an on-campus activity is required, it is the student’s responsibility to do the following:

1. Submit a written request to the instructor for an on-campus experiential component within one week of the start of the course.

2. Ensure that the activity on campus takes place and the instructor documents it in writing with a notice sent to the International Student and Scholar Services Office. ISSS has a form available that you may use for this purpose.

Because the decision may have serious immigration consequences, if an F-1 student is unsure about his or her need to participate in an on-campus experiential component for this course, s/he should contact the UNT International Student and Scholar Services Office (telephone 940-565-2195 or email internationaladvising@unt.edu) to get clarification before the one-week deadline.
