**Students with Disabilities**
The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking reasonable accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with a reasonable accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request reasonable accommodations at any time, however, ODA notices of reasonable accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of reasonable accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of reasonable accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. The student has the responsibility of informing the course instructor of any disabling conditions that will require course modifications. For additional information see the Office of Disability Accommodation website at [http://www.unt.edu/oda](http://www.unt.edu/oda). You may also contact them by phone at 940.565.4323.
Family Educational Rights and Privacy Act (FERPA Information):
Students have the right to expect their grades will be kept confidential. There are a few things, because of the size of the size and/or nature of the class, the instructor must advise you of regarding collection and distribution of test results, quiz scores, assignments, projects, etc. During this class it may be necessary for you to pass your assignments forward to the instructor or it may be necessary for the instructor to call your name and then return your completed assignment to you by passing it across the room. The instructor, under the reasonable assumption guidelines, assumes students are collecting ONLY their own materials. Every attempt will be made to keep your information confidential. Neither your course grades nor grades for any individual assignment will be posted in a way that could result in your being identified by other students or faculty members.

Scholastic Dishonesty
Consistent with the University of North Texas, scholastic dishonesty could result in you failing the course. The course will be governed by all policies described in the UNT Code of Student Conduct and UNT policy on Student Standards for Academic Integrity. If you are unsure about an academic behavior, please ask.

Classroom Norms and Expectations
As discussed and agreed on in class. We will minimize technology; read and watch assigned materials; come prepared to discuss and share ideas, engage in conversation, and listen to each other; and demonstrate respect for ideas that may be sensitive or different. By preparing and engaging in class, we will accomplish our work effectively and efficiently. We will function as a group, so if one person is not following norms and expectations, it impacts all.

Eagle Mail (e-mail) and Blackboard
Please activate and regularly check your Eagle Mail and RESM 3450 Canvas website for announcements and updates. All course materials will be posted on Canvas.

Syllabus
The instructor may change this course syllabus at any time during the course.
