Required Material:

2) **McGraw-Hill Connect Access:**
   **Connect Access Card** for Intermediate Accounting 8th Edition; this allows student to register and then complete assignments on McGraw Hill’s website. If you did not get a Connect Access Card with the textbook purchased (e.g., used book or borrowed book), then you will need to make a separate $147.50 Connect Plus (this includes eBook access). Students can purchase the access card through the UNT bookstore (ISBN-13: 978-0077832810) or directly from McGraw Hill via Madhuri Bandla’s BlackBoard Learn. Students have an upgrade option to order a loose-leaf textbook from the Connect website for $80 (after they purchase Connect Plus)

   Note: Connect’s Courtesy Access program allows you to register in Connect before you purchase an access code. This program offers full access to your course (for 14 days) **before which you must purchase an access code.** This option is helpful for those awaiting financial aid or a textbook and those who want to try the Connect Plus eBook before they buy. **Ensure you upgrade to full Connect access before the trial period expires to avoid delays in completing your coursework.** If your Courtesy Access period does expire, your work will be saved. Just login with the username and password you used to create your Connect account and choose to “purchase full Connect access here.”

3) **Internet Access:** Class materials, syllabus, and assignment schedule will be posted on Blackboard Learn (go to [http://learn.unt.edu/](http://learn.unt.edu/) and click the link at the top for “Blackboard”).

   Note that there is a copy of the Spiceland textbook available to be checked out for two hours at a time from the Eagles Common library.
Prerequisites:
ACCT 2010 and ACCT 2020 with grades of C or better in both courses; and,
Qualifying exam with a passing grade

PLEASE NOTE: This course may not be taken more than twice. Students may not retake this course once they have completed (with a grade of C or better) a course for which this is the prerequisite.

Course Description:
This course has been designed to provide an in-depth study of the process of preparing and presenting financial information. The course provides a rigorous exposure to the theory and application of US Generally Accepted Accounting Principles (US GAAP) and focusses on the technical and conceptual aspects of financial reporting. The course moves at a fast pace and is more demanding than the prerequisite courses. Students need to invest more hours in this course than prior accounting courses to perform at an acceptable level.

Learning Objectives:
The objective of ACCT 3110, which is a prerequisite course for ACCT 3120 Intermediate Accounting II, is to continue to develop the analytical and decision-making skills needed for success as a professional accountant. When you complete this course, you should be able to:
- Understand the environment and theoretical structure of accounting
- Understand the accounting cycle, prepare adjusting entries, financial statements and related disclosures
- Interpret technical topics relating to revenue recognition, cash and receivables, inventory, property, plant and equipment, investments and inventory

**Grading Notes:**
1. Your grade is completely based on your performance in this class.
2. No other work can be substituted for the required work.
3. There are no opportunities for extra credit in this course.
4. For each exam during the semester, I will post your exam scores on Blackboard at the earliest possible time. If you are not in attendance at a class meeting during which an exam is returned, it is your responsibility to see me during office hours in order to pick up and review your exam and grades. Exams must be returned and may not be taken out of the classroom.
5. When your exam is returned to you, should you find an error in its grading or should you have a question concerning how a particular question was graded, you should bring the question to my attention immediately.

**Withdrawals:**
University policy relative to withdrawals will be followed. You should consult with your academic advisor prior to withdrawing from or dropping this course. Please be aware of UNT drop dates as no exceptions can be made.

**Class Meetings:**
Class attendance and participation are required. Because we have a significant amount of material to cover during the semester, the classes are structured based on the assumption that students have read relevant textbook material prior to the class meetings.

**Homework Assignments:**
Homework assignments are completed on the McGraw Hill Connect website and allows students to apply the material that they have read in the text and we have discussed in class. Homework assignment due dates for each chapter will be posted on Connect. If you have only partially completed an assignment, Connect will automatically submit for you when it is due and grades will be based on what is completed at the assignment deadline. Students are encouraged to be careful and attentive while completing each homework assignment.

Connect Homework policies:
1) You can attempt each homework assignment up to three times; immediately after submitting your assignment, Connect will show your total score and provide feedback (each question’s scores, correct or incorrect indicators, and explanations).
2) If you have eBook access, you are welcome to access it when you are completing Connect assignments (similarly, you are encouraged to access the printed text and notes).
3) You can utilize “Connect Hints” and can “check my work” three times per question without penalty (look at the bottom of the page for each problem).

If you have trouble using Connect, visit http://www.connectstudentsuccess.com/ or call the Technical Helplines at either 1-800-331-5094 or 1-866-280-6055.

**Project:**
Great Adventures practice set is designed to reinforce your understanding of the accounting cycle. Separate instructions will be provided in Blackboard regarding the project.

Attendance at accounting events is for a total of 10 points. Students are required to attend and document any of the following events to earn the full 10 points.

**ACCT Internship Information Session**
Wednesday, January 25, 2017
5-6 pm
BLB 090

**Meet the Firm’s Night**
Thursday, February 2, 2017
4-6 pm
Gateway Ballroom

**CPA Town Hall**
Wednesday, April 26, 2017
5-6 pm

**Exams:**
A missed exam will count as a zero (0) unless there is a documented, university accepted excuse for missing the exam. For authorized or excused absences, the percentage score from the final exam score will be applied to the missed exam score for authorized or excused absences.

**Authorized absences** due to participation in sponsored activities must be approved in advance by department chairs and/or academic deans, based on the nature of the event.

**Excused absences:** due to other causes, such as illness, emergency, death in the family, etc. are termed “excused” or “not excused” at the discretion of the instructor and in accordance with department and university policy. Students should show proof that the absence was unavoidable, such as a physician’s statement, accident report, obituary, etc. (Note: The Student Health and Wellness Center provides cards that verify the date and time of a student’s visit. Hospitalized patients are given a form showing the inclusive dates of their hospitalization.)

In accordance with state law, students who are absent due to the observance of a religious holiday may take examinations for the day missed within a reasonable time after the absence.
Travel time required for religious observances shall also be excused. Only holidays or holy days observed by a religion whose place of worship is exempt from property taxation under Section 11.20 of the Tax Code may be included.

**Calculator Policy:**
Departmental calculators will be provided for the exam. All exams are closed book, closed notes. No caps may be worn during exams. No electronic media permitted.

**Academic Dishonesty:**
Academic dishonesty will not be tolerated. Students caught cheating or plagiarizing will receive a "0" for that particular assignment or exam. Any grade reduction based on academic dishonesty cannot be made up in any way. Additionally, the incident will be reported to the Dean of Students, who may impose further penalty. According to the UNT catalog, the term "cheating" includes, but is not limited to: a. use of any unauthorized assistance in taking quizzes, tests, or examinations; b. dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; c. the acquisition, without permission, of tests or other academic material belonging to a faculty or staff member of the university; d. dual submission of a paper or project, or resubmission of a paper or project to a different class without express permission from the instructor(s); or e. any other act designed to give a student an unfair advantage. The term "plagiarism" includes, but is not limited to: a. the knowing or negligent use by paraphrase or direct quotation of the published or unpublished work of another person without full and clear acknowledgment; and b. the knowing or negligent unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials.

For more information on the UNT academic integrity policy, see: [http://policy.unt.edu/sites/default/files/untpolicy/pdf/7-Student_Affairs-Academic_Integrity.pdf](http://policy.unt.edu/sites/default/files/untpolicy/pdf/7-Student_Affairs-Academic_Integrity.pdf)

**ADA Statement:**
The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking reasonable accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with
a reasonable accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request reasonable accommodations at any time, however, ODA notices of reasonable accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of reasonable accommodation for every semester and must meet with each faculty member prior to implementation in each class. Students are strongly encouraged to deliver letters of reasonable accommodation during faculty office hours or by appointment. Faculty members have the authority to ask students to discuss such letters during their designated office hours to protect the privacy of the student. For additional information see the Office of Disability Accommodation website at http://www.unt.edu/oda. You may also contact them by phone at 940.565.4323.

Acceptable Student Behavior:
Student behavior that interferes with an instructor's ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Dean of Students to consider whether the student's conduct violated the Code of Student Conduct. The University's expectations for student conduct apply to all instructional forums, including University and electronic classroom, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at http://deanofstudents.unt.edu.

Retention of Student Records:
Student records pertaining to this course will be maintained in a secure location by the instructor of record. All records such as exams, answer sheets (with keys), and written papers submitted during the duration of the course are kept for at least one calendar year after course completion. Course work completed via the Blackboard online system, including grading information and comments, is also stored in a safe electronic environment for one year. Students have the right to view their individual record; however, information about students’ records will not be divulged to other individuals without proper written consent. Students are encouraged to review the Public Information Policy and F.E.R.P.A. (Family Educational Rights and Privacy Act) laws and the university’s policy in accordance with those mandates at the following link: http://essc.unt.edu/registrar/ferpa.html

Emergency Notification & Procedures:
UNT uses a system called Eagle Alert to quickly notify students with critical information in the event of an emergency (i.e., severe weather, campus closing, and health and public safety emergencies like chemical spills, fires, or violence). The system sends voice messages (and text messages upon permission) to the phones of all active faculty staff, and students. Please make certain to update your phone numbers at http://www.my.unt.edu. Some helpful emergency preparedness actions include: 1) know the evacuation routes and severe weather shelter areas in the buildings where your classes are held, 2) determine how you will contact family and friends if phones are temporarily unavailable, and 3) identify where you will go if you need to evacuate the Denton area suddenly. In the event of a university closure, please refer to Blackboard for contingency plans for covering course materials.
Access to Information – Eagle Connect:
Your access point for business and academic services at UNT occurs within the my.unt.edu site http://www.my.unt.edu. All official communication from the university will be delivered to your Eagle Connect account. For more information, please visit the website that explains Eagle Connect and how to forward your e-mail: http://eagleconnect.unt.edu/

SUCCEED AT UNT

UNT endeavors to offer you a high-quality education and to provide a supportive environment to help you learn and grow. And, as a faculty member, I am committed to helping you be successful as a student. Here’s how to succeed at UNT: Show up. Find support. Take control. Be prepared. Get involved. Be persistent. To learn more about campus resources and information on how you can achieve success, go to http://success.unt.edu/. The following are some specific applications of Succeed at UNT for this class.

Show Up:
Attendance at all class meetings (and professional conduct) is expected. You are responsible for all announcements, syllabus revisions, assignments, and any other material discussed in all class meetings.

Find Support:
Free assistance is available in the Accounting Lab in room BLB 135. Make an appointment at http://www.cob.unt.edu/lab/tutor.php.

Take Control:
Be aware of your current grade and make corrective actions if it is unsatisfactory.

Be Prepared:
Read textbook prior to class. This is very important for accounting classes for you to keep pace with the class.

Get Involved:
Attend student organization meetings such as Beta Alpha Psi, NABA, ALPFA, ISACA, IIA, ACFE and IMA.

Be Persistent:
This course is a fast-paced marathon rather than a sprint. There is a lot of work and not always a lot of time to complete it. Many aspects of the course build on each other, so do not fall behind! This is not a class that you can catch up in the last minute. Keep putting in the required effort (i.e., reading the text, participating in class, completing Connect homework assignments, studying for exams, etc.) to be more likely to succeed.
**Tentative Class Schedule:** Dates and assignments are tentative and subject to change. You are responsible for keeping up with any changes made and discussed during the class.
