CATALOG DESCRIPTION:
A study of ethical behaviors crucial to personal and corporate success in organizations. Codes of
ethics, theoretical models and managerial behavior serve as the foundation to investigate ethics
and, in turn, social responsibility associated with firm theory. Various stakeholder interest and
demands are analyzed as an important theme during the course.

REQUIRED TEXT:
A copy of the textbook is available on reserve in the Eagle Commons Library. You can enter
this library through the main entrance to Sycamore Hall facing the Life Sciences Complex.

COURSE OVERVIEW:
This course will give students an understanding of the strategic purposes of the firm as both an
economic and social entity within society. The course is divided into three sections, Business
Ethics, Corporate Social Responsibility, and Stakeholder Management In-Depth.

I.  Business Ethics
Students are introduced to the types of ethical conflicts that occur in the workplace, the reasons
behind these conflicts, and methods for resolving them. The profile of a sound corporate ethics
program is introduced. Students will be challenged to analysis current ethical conflicts
highlighted in the press. Ethical conflicts in the workplace are analyzed using the stakeholder management framework. Objectives for this section include:
1. The ability to identify an organization’s stakeholders.
2. The ability to recognize and present alternatives to ethical conflicts in the workplace.
3. The ability to present an argument for the strategic advantages of good business ethics.
4. The ability to recognize a well developed corporate ethics program.
5. The ability to recognize and analyze current events in the business world related to ethics.

II. Corporate Social Responsibility
Students will develop an understanding of the concept of corporate social responsibility or “corporate citizenship.” Social auditing or accountability for reporting a company’s social performance, in addition to financial performance, is introduced. Practical management, focusing on four key groups will expose students to the types of stakeholder challenges in the modern work environment. Objectives for this section include:
1. The ability to present an argument for the strategic advantages of good corporate citizenship.
2. The ability to “social audit” or evaluate a company’s performance in relation to stakeholder responsiveness and management.
3. The ability to recognize the need for change in corporate citizenship strategies and the profile of a firm with a progressive approach.
4. The ability to identify the influence of an issue/policy/program/decision on each of a firm’s key stakeholder groups.

III. Stakeholder Management In-Depth
This final section of the course goes into depth on issues and management challenges with key stakeholder groups while operating in a globalized world. Students will learn methods for managing these issues proactively to maintain good corporate citizenship. Objectives for this section include:
1. The ability to identify the influence of an issue/policy/program/decision on each of a firm’s key stakeholder groups.
2. Recognition of the importance of business/government relations.
3. The ability to understand a public or social issue and the influence it can have on a firm, its reputation, and operations.
4. The ability to recognize and respond to issues that are important to various stakeholder groups, including consumers, employees, and the community.
5. The ability to identify strategies for managing an issue and/or crises, including media relations.
6. The ability to understand current complex public issues like environmental affairs.

Objectives for 3880 Honors
1. The ability to engage in high-level thinking and learning through exposure to intensive discussion, written assignments, and exposure to journal articles and other supplementary materials.
2. The ability to engage in independent thinking through the analysis of different ethical issues that affects businesses and their stakeholders.
3. The ability to consider concepts in relation to their application to other knowledge.
4. The ability to engage in independent learning through the development of creative solutions to ethical issues facing businesses.

Course Internet “Favorites”

The field of business ethics and corporate social responsibility is a dynamic and rapidly changing area of management. “Internet Favorites” are included in the lessons on Blackboard Learn. These sites provide technical assistance and resources to practicing managers to design ethics, citizenship, and public affairs programs. At the end of the course, students should be able to access information and resources to design ethics, corporate social responsibility, and public affairs programs in future business endeavors.

COURSE ORGANIZATION:

This course will utilize a combination of face-to-face meetings and online content that is available through Blackboard Learn. It is the student’s responsibility to access online materials and complete course requirements as assigned in the course schedule provided in the syllabus.

To get started on the Blackboard Learn site, link to the following URL: https://learn.unt.edu/. This will take you to the login page where you will to type in your EUID and password. General information about Blackboard Learn is available through the “Student Resources” link on the Blackboard Learning system home page.

Internet access is required for this class. General information about Blackboard Learn is available through the “Student Resources” link on the Blackboard Learning system home page. Be sure to check your Browser settings in accordance with the Blackboard requirements or you may encounter technical problems with this course. Furthermore, it is best to use Mozilla Firefox, Chrome, or Safari. **DO NOT USE INTERNET EXPLORER. IN ADDITION, BE SURE YOU ENABLE POP-UPS AND CLEAR YOUR CACHE WHEN TAKING EXAMS.** If you do not have Internet access at home, labs are available on campus.

**BE SURE THAT YOU ARE USING A RELIABLE COMPUTER AND INTERNET CONNECTION! FURTHERMORE, DO NOT TAKE EXAMS USING A WIRELESS CONNECTION. IT IS ALSO BEST NOT TO WAIT UNTIL THE LAST MINUTE TO COMPLETE AN EXAM OR AN ASSIGNMENT.**

Please note that your instructor is not equipped to deal with any technical problems students may have with the Blackboard Learn system. If you experience technical problems, please contact the Help Desk at 940-565-2324 or helpdesk@unt.edu. To visit in person, the Help Desk is located in Sage Hall, Room 130. Individual problems that are not system-wide will not be considered in granting make-up work.
COURSE REQUIREMENTS:

Quizzes

There will be quizzes on the major cases and the mini-cases assigned during the semester. Major cases are 6-10 pages in length and are found in the back of the textbook. Mini-cases are 1-3 pages in length and are at the end of each chapter. Students are encouraged to read, analyze, and prepare the discussion questions with each case prior to taking each quiz.

All quizzes will be given online on Blackboard. Quizzes will open at 8:00 a.m. on Monday and close the following Sunday at 11:45 p.m. MAKE-UP QUIZZES ARE NOT GIVEN FOR MAJOR OR MINI-CASE QUIZZES FOR ANY REASON. THERE ARE NO EXCEPTIONS. Twelve mini-case quizzes will be given throughout the semester, including a quiz over the syllabus. The lowest two grades will be dropped. Three major case quizzes will be given and one grade will be dropped. Thus, one major and two mini-case quizzes can be missed with no penalty as those grades will be dropped before grades are calculated.

Blackboard Discussions

There are four discussion topics scheduled during the semester. Grades are assigned to these postings based on the effort students put into this assignment. I WILL NOT GIVE FULL CREDIT UNLESS THE POSTINGS REFLECT BOTH EFFORT AND THOUGHT. If the topic requires that you post an opinion on a topic, you must support your position. Replies to the posts of other students will not be required, but if you do post replies, they should be respectful of the position of other students. I do not expect that you will all agree with one another all of the time, but I do expect you to disagree respectfully. Failure to do so may result in a loss of credit for the discussion posting. Information on discussion board etiquette may be found in the course Getting Started Module in Blackboard Learn.

There is no provision for making up a missed discussion topic and topics will not be reopened for any reason. You must complete your post by the deadlines to receive credit for each discussion topic. Incomplete discussion postings will not be graded. Once discussion topics close, they will not be reopened.

Book Review

Students will select a book from a list provided by your instructor. The book review must contain the following elements:

2. What is the value of the book? Was the information useful? What did you learn from the book that could be put into practice?
3. What, if any, are the book’s faults? Are the book’s arguments inadequate or weak? Is the research adequate?
4. Would you recommend this book to a friend? Why or why not?

Additional instructions for this assignment will be provided in class. THIS ASSIGNMENT WILL BE SUBMITTED TO TURNITIN.COM THROUGH BLACKBOARD LEARN AND IS DUE BY 10:00 P.M. ON SUNDAY OCTOBER 26TH.

Exams

There will be four timed (see the Course Schedule at the end of the syllabus) exams scheduled during the semester. While you may use your books and notes, you will not be given time to look up all answers. Thus, it is important that you study for your exams as if you were taking them without books and notes. These exams should be completed individually and independently without help. The final exam (Exam #4) is not comprehensive. All material covered in class, assigned textbook readings, Internet Favorites, and videos are covered on the exams. Handouts provided of the Power Point presentations provide study guides for test preparation. All exams will be administered online on Blackboard.

Grade adjustments on exams are based on a statistical analysis of each question. Each exam question will be reviewed for evidence that a question or answer is unclear or there is a statistical pattern of the same missed questions with the same wrong answers. The students' scores will be adjusted automatically if the instructor decides there is evidence to support doing so.

ALL EXAMS ARE MANDATORY. STUDENTS MAY NOT DROP AN EXAM. MAKE-UP EXAMS WILL BE GIVEN TO STUDENTS WHO PROVIDE ACCEPTABLE PROOF THAT THE ABSENCE IS EXCUSED. IT IS THE STUDENT’S RESPONSIBILITY TO NOTIFY ME BEFORE AN EXAM IN ORDER TO RECEIVE AN EXCUSED ABSENCE. I MAY BE CONTACTED BY PHONE, E-MAIL, OR IN PERSON. STUDENTS WHO FAIL TO PROVIDE ACCEPTABLE DOCUMENTATION REGARDING THE REASON FOR THE ABSENCE WITHIN 3 DAYS AFTER AN EXAM WILL NOT BE GIVEN A MAKE-UP EXAM.

Attendance Points

Attendance is an important for successful course performance. Attendance points will be earned through end-of-class questions assigned randomly throughout the semester. Students who are in class on those days and answer the question assigned for the day will receive 2 points per question. Ten points are included in your grade (see grading summary below). Please note that the ALL points accumulated are considered at the end of the semester when calculating final grades. If you choose not to attend class, you will not receive the benefit of any extra points accrued over and above 10 points during the semester. I DO NOT GIVE EXTRA CREDIT ASSIGNMENTS FOR ANY REASON! IF YOU ARE COUNTING ON A GRADE TO GRADUATE THIS SEMESTER, YOUR BEST STRATEGY IS TO ATTEND CLASS! NO EXCEPTIONS!
If miss a class, you are responsible for material covered in class (not in the book or any assigned material) that may appear on the exams.

**POLICY FOR STUDENTS WITH DISABILITIES:**

The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with an accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the Office of Disability Accommodation website at [http://www.unt.edu/oda](http://www.unt.edu/oda). You may also contact them by phone at 940.565.4323.

**Special Note about Blackboard Learn.** Blackboard Learn is committed to making certain that online courses are open and accessible to people with disabilities. As a result, Blackboard Learn complies with Section 508 of the United States Rehabilitation Act of 1973, enabling people with disabilities and those using assistive technologies, such as screen readers, to fully use the software.

**ACADEMIC INTEGRITY POLICY:**

Academic dishonesty includes cheating and plagiarism:

The term “cheating” includes, but is not limited to, (1) use of any unauthorized assistance in taking quizzes, tests or examination; (2) dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; or (3) the acquisition, without permission, of tests or other academic material belonging to a faculty member or staff of the university.
The term “plagiarism” includes, but is not limited to, the use, by paragraph or direct quotation, of the published or unpublished work of another person without full and clear acknowledgment. It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or academic materials. (Source: Code of Conduct and Disciplines at the University of North Texas). PLEASE NOTE THAT INFORMATION COPIED FROM WEB SITES CONSTITUTES PLAGIARISM. DO NOT COPY MATERIALS FROM ANY SOURCE, AND REFERENCE THE SOURCE OF ANY QUOTED MATERIAL IN YOUR WRITTEN ASSIGNMENTS.

Remember…This is a class in Ethics.

Other Guidelines for Class Conduct:

1. Students should plan to attend class for the entire period. It is a distraction to have students consistently arriving late and leaving early. If you must leave early for a legitimate reason, please notify the instructor before class and then sit close to the door.

2. TURN OFF CELL PHONES WHEN YOU ARE IN CLASS! If your cell phone rings during class, it will be picked up by your instructor. This also applies to text messaging. Cell phones must be put away with books and notes during exams.

3. Talking during class (which is not related to class discussion) is considered rude and will not be tolerated. Students who consistently talk during lectures and class discussions will be asked to leave.

Acceptable Student Behavior:

Student behavior that interferes with an instructor’s ability to conduct a class or other students' opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Center for Student Rights and Responsibilities to consider whether the student's conduct violated the Code of Student Conduct. The university's expectations for student conduct apply to all instructional forums, including university and electronic classroom, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at www.unt.edu/csrr.

SETE

The Student Evaluation of Teaching Effectiveness (SETE) is a requirement for all organized classes at UNT. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class is taught. It is very important that you take a few minutes to participate in the SETE as constructive feedback is very important, and it provides information I need to continually improve the quality of the course.

A syllabus is similar to an employee handbook or policy manual that many employers give to new employees during their orientation. A common part of these handbooks is a "sign-off" statement in which the employee states that s/he understands and agrees to follow the employer's policies.

Similarly, the following statement acknowledges that you have received and read a copy of the syllabus for MGMT 3880, Business Ethics and Social Responsibility, for the Fall 2014 semester, and that you understand its contents. Please sign and return this document to your instructor by Wednesday, September 3, 2014.

I have read, understand, and have in my possession a copy of the syllabus for MGMT 3880. I understand the requirements of this course as outlined in the syllabus, and I agree to abide by the policies contained in this document.

UNT College of Business Student Ethics Statement

As a student of the UNT College of Business, I will abide by all applicable policies of the University of North Texas, including the Student Standards of Academic Integrity, the Code of Student Conduct and Discipline and the Computer Use Policy. I understand that I am responsible reviewing the policies as provided by link below before participating in this course. I understand that I may be sanctioned for violations of any of these policies in accordance with procedures as defined in each policy.

I will not engage in any acts of academic dishonesty as defined in the Student Standards of Academic Integrity, including but not limited to using another’s thoughts or words without proper attribution (plagiarism) or using works in violation of copyright laws. I agree that all assignments I submit to the instructor and all tests I take shall be performed solely by me, except where my instructor requires participation in a group project in which case I will abide by the specific directives of the instructor regarding group participation.

While engaged in on-line coursework, I will respect the privacy of other students taking online courses and the integrity of the computer systems and other users’ data. I will comply with the copyright protection of licensed computer software. I will not intentionally obstruct, disrupt, or interfere with the teaching and learning that occurs on the website dedicated to this course through computer “hacking” or in any other manner.

I will not use the university information technology system in any manner that violates the UNT nondiscrimination and anti-sexual harassment policies. Further, I will not use the university information technology system to engage in verbal abuse, make threats, intimidate, harass, coerce, stalk or in any other manner which threatens or endangers the health, safety or welfare of any person. Speech protected by the First Amendment of the U.S. Constitution is not a violation of this provision, though fighting words and statements that reasonably threaten or endanger the health and safety of any person are not protected speech.
