Syllabus  
MUET 3030: Music Cultures of the World

Course Information:  
A selected survey of music cultures of the world. We will examine musical traditions from a perspective that emphasizes music as an integral part of society and culture.

Course Objectives:  
1) To increase understanding of diverse music cultures.  
2) To develop awareness and appreciation of aesthetic dimensions of culture.  
3) To acquire critical listening skills.

Related Disciplines and Majors:  
A broader understanding of music cultures offers to majors in all fields of study a greater appreciation for the diversity and creativity of humankind.

Potential Student Benefits:  
Music making is a universal human activity. All cultures have music, and as such it is an important and worthy area of study that too often has been neglected. The study of non-Western music offers students a deeper understanding of not only other peoples, but also the possibility of gaining new insights into their own culture.

Grade Evaluation:  
There are a total of 400 points for the course. Your work will be evaluated on the basis of three exams, each worth 100 points, and attendance, 100 points.

In order to pass the course you must have a passing attendance mark (a minimum 60% of total attendance points), and take all three exams.

Attendance  
You automatically receive 100 points for appearing on the official audit class roll. Therefore, everyone starts the class with an “A.” For each class missed without an excused absence you will lose 5 points. An excused absence is at the discretion of the instructor and may require documentation. However, given that unexpected circumstances may arise during the semester, you are allowed one unexcused absence with no deduction, though it will still count toward your total of unexcused absences. After 3 unexcused absences, for each subsequent absence you will lose 10 points. Throughout the semester your attendance record may be accessed via Blackboard.
Grade Calculation
Your grade is based on the following standard percentage of points earned:

360 - 400 (90%) = A  
320 - 359 (80%) = B  
280 - 319 (70%) = C  
240 - 279 (60%) = D  
Below 240 = F

Classroom Conduct:
Attending class is a commitment to stay for the entire class period. If you leave before the end of class, without prior approval, you will be counted absent. If you arrive after the attendance sheets have been collected (roughly 15 minutes after class starts), you will be counted absent. All electronic devices must be turned off. The failure to adhere to this policy will also result in being counted absent. (See also “Student Behavior in the Classroom” at the end of this document.)

Required Text:
Worlds of Music: An Introduction to the Music of the World’s Peoples (5th Edition), edited by Jeff Titon, published by Cengage Learning. There are two options available:

• Buy or rent Worlds of Music, 5th Edition, long version only. (The “Shorter Version,” and the 4th and 6th edition long version will not work for this class.)

Additional readings will be posted on Blackboard. Test questions include material directly based on course readings, both from the textbook and posted readings not covered in lectures.

There also will be listening questions based on musical examples taken from the 4-CD set that accompanies the text and music examples played in class, which are posted on Blackboard. The 4 CD set that accompanies the textbook can be bought separately; however, a copy is on electronic reserve through Willis Library (audioreserves.library.unt.edu) and accessible online.

Office of Disability Accommodation
The University of North Texas makes reasonable academic accommodation for students with disabilities. Students seeking accommodation must first register with the Office of Disability Accommodation (ODA) to verify their eligibility. If a disability is verified, the ODA will provide you with an accommodation letter to be delivered to faculty to begin a private discussion regarding your specific needs in a course. You may request accommodations at any time, however, ODA notices of accommodation should be provided as early as possible in the semester to avoid any delay in implementation. Note that students must obtain a new letter of accommodation for every semester and must meet with each faculty member prior to implementation in each class. For additional information see the Office of Disability Accommodation website at http://www.unt.edu/oda. You may also contact them by phone at 940.565.4323.

Academic Integrity
Academic Integrity is defined in the UNT Policy on Student Standards for Academic Integrity. Any suspected case of Academic Dishonesty will be handled in accordance with the University Policy and procedures. Possible academic penalties range from a verbal or written admonition to a grade of “F” in the course. Further sanctions may apply to incidents involving major violations. You will find the policy and procedures at: http://vpaa.unt.edu/academic-integrity.htm.

Student Behavior in the Classroom
Student behavior that interferes with an instructor’s ability to conduct a class or other students’ opportunity to learn is unacceptable and disruptive and will not be tolerated in any instructional forum at UNT. Students engaging in unacceptable behavior will be directed to leave the classroom and the instructor may refer the student to the Center for Student Rights and Responsibilities to consider whether the student’s conduct violated the Code of Student Conduct. The university’s expectations for student
conduct apply to all instructional forums, including university and electronic classroom, labs, discussion groups, field trips, etc. The Code of Student Conduct can be found at: www.unt.edu/csrr.
