Homework Policy:

1. **Homework Day**: the day new homework will be assigned (HW will be posted in Blackboard) and previous homework will be collected;
   - Section.001 (Tuesday/Thursday section): Thursday
   - Section.002 (MWF section): Friday
2. Homework should be turned in on the due day before the lecture starts. NO late homework will be collected. **Exceptions**: medical emergence (student and important ones), transportation/traffic emergency; religious holidays/duty, jury duty and military duty. **Documentary evidences** must be submitted.
3. Definition of “late”: when class is over and instructor steps outside the classroom, homework turned in thereafter will be considered as “late” and will not be collected
4. Solutions to Homework will be posted in Blackboard after 11:20 am Friday
5. Having no textbook is not a valid excuse for not doing homework. It is the student’s responsibility to acquire textbook for his/her study
6. Homework can be turned in earlier than the due day
7. Homework dropped in the instructor’s departmental mailbox will NOT be collected
8. Homework slid through the door into the instructor’s office will NOT be collected
9. Homework dropped in the “homework dropbox” in front of the department door will NOT be collected
10. Homework turned in other than the due day or outside classroom must be turned in to instructor either IN PERSON or through EMAIL.
11. If homework is turned in through email, it should be scanned (or pictured by a smart phone) and emailed to instructor before the class ends (12:50p.m. for section #1 and 11:20am for section #2)
12. Homework should be stapled. Instructor or TA will not be responsible for lost loose homework pages.
Exams and Quizzes:
(1) Quizzes are open book and open notes.
(2) Exams are closed book and closed notes with formula sheets.
(3) Using Smart phone and/or Internet during the exam is prohibited.
(4) Formula sheets could be maximum 5 pages on top of instructor’s handouts, A4 or letter size, both sides
(5) Student is responsible for preparing his/her own formula sheets
(6) Formula sheets could include anything BUT: solutions of any kind/format (numerical or symbolic) to homework problem or lecture/textbook examples. Student who failed to follow this rule will score zero in the exam and this cheating matter will be reported to MEE department and University.
(7) Formula sheets must be turned in with the exam papers (in the case of formula sheets were not checked by the instructor during the exam). Student who failed to follow this rule will score zero in the exam and this cheating matter will be reported to MEE department and university
(8) There will be NO make-up quiz. Exceptions: medical emergence (student and important ones), transportation/traffic emergency; religious holidays/duty, jury duty and military duty. Documentary evidences must be submitted.
(9) There will be NO make-up exam. Exceptions: medical emergence (student and important ones), transportation/traffic emergency; religious holidays/duty, jury duty and military duty. Documentary evidences must be submitted.
(10) All make-up quizzes and exams should be completed within one week after the regular quizzes and exams.

Disability Accommodations: If you need academic accommodations for disability you must have document which verifies the disability and makes you eligible for accommodations, then you can schedule an appointment with the instructor to make appropriate arrangements.

Academic Dishonesty:
There is a zero tolerance policy. Cheating of whatsoever will result in an automatic ‘F’ in this course and the matter will be turned over to the appropriate student disciplinary committee.
